Delphi 9y, MASM 9y, C, C++ 1y

Awards:
Leaderboard Winner: Q2 2022,
Caught at Your Best: Q4 2021, Q4 2016, Q4 2015,
Certificate 20 years of Service

Summary:

I am a computer engineer with over 30 years of experience in software development, covering multiple programming languages, architectural styles, and complex technical problem-solving. I have strong communication skills and work effectively in cross-functional teams, presenting complex ideas clearly and concisely. I am highly adaptable, committed to continuous learning, and open to constructive feedback.
